

**LIFE FROM THE SMALL END OF THE TELESCOPE**

*IT'S NOT*

*SEX  
FOOD  
TV  
ALCOHOL  
WORK  
MONEY  
STUFF*

*IT'S*

*time*

*Beat the clock  
Before IT runs out  
And you've served no purpose  
Made no difference  
Fixed no one*

*Hurry up  
and wait for IT*

*Run the race  
Win the game  
Get IT done*

*I'm having a picnic with my son today  
In his bedroom  
In his makeshift tent  
He doesn't want to go anywhere else  
Do anything else  
Be anyone else*

*He's right here*
